Executive Engineer, Electrical Division No. 1, Housing Directorate reserves the right to cancel the N.I.T. due to unavoidable circumstances and no claim in this respect will be entertained.
55. Before issuance of the WORK ORDER, the tender inviting authority may verify the credential(s) and /or other document(s) of the lowest tenderer, if found necessary. After verification, if it is found that the document(s) submitted by the lowest tenderer is / are either manufactured or false, the work order will not be issued in favour of the said tenderer.

56. If any discrepancy arises between two similar clauses on different notification, the clause as stated in later notification will supersede former one in following sequence:-
 - a. Form No. 2911 / Appropriate Documents with latest Agenda & Corrigendum.
 - b. NIT
 - c. Special Terms & Condition
 - d. Technical Bid
 - e. Financial Bid,
 - f. EMD
57. If the dates fall on holidays or on day's bandh or natural calamity, the dates defer to next working days.
58. All Tenderer are requested to be present online during opening of tenders positively. In no case his/their absence will stand against holding the same.
59. In case of inadvertent typographical mistake found in the specific price schedule of rates, the same will be treated to be so corrected as to conform to the prevailing relevant schedule of rates and / or technically sanctioned estimate.
60. The intending Tenderer is required to quote the rate in figures as well as in words as percentage above / below than or at par with the relevant price schedule of rates.
61. Conditional/Incomplete tender will not be entertained.
62. The accepting authority reserves the right to reject any or all tenders without assigning any reason whatsoever and he will not be bound to accept either the lowest tender or any of the tenders.
63. Issuance of Work Order as well as payment will depend on availability of fund and no claim what so ever will be entertained for delay of issuance of work order as well as payment, if any. Intending Tenderer may consider this criterion quoting their rates.
64. If any Tenderer withdraws his offer before acceptance or refuse within a reasonable time without giving any satisfactory explanation for such withdrawals, he shall be disqualified for submitting tender to this Circle, Division and Sub-Division under this Circle for minimum period of 1 (one) year.
65. Clause-25 Of the conditions of contract of the West Bengal Form No. 2911 / Appropriate Documents may be treated to be omitted and there is no provision for arbitration for resolution of disputes that may arise out of the contracts to be entered into by the Department with the contractors for the purpose of carrying out execution of public works as per G.O No. 558/SPW dated 13-12-2011 Of P.W.D.
66. Successful Tenderer will be required to observe the following conditions strictly:
 - a) Employee's Provident Fund and Miscellaneous Provision Act, 1952 and Employees State Insurance Act, 1948 should be strictly adhered to wherever such Acts becomes applicable.
 - b) Minimum wages to the workers shall be paid according to the rates notified and/or revised by the State Government from time to time under the Minimum Wages Act, 1948 in respect of scheduled employment within the specified time as per law. Payment of bounds, whenever applicable, has to be made.
67. Where an individual person holds a Digital Certificate in his own name duly issued to him against the company or the firm of which he happens to be a director or partner, such individual person shall while uploading any tender for and on behalf of such company of firm, invariably upload a copy of registered Power of Attorney showing clear authorization in his favour by the rest of the directors of such company or the partners of such firm to upload such tender. The Power of Attorney shall have to be registered in accordance with the provisions of the Registered Act., 1908.
68. Guiding schedule of rates: As per PWD (electrical schedule of works). The term "GS" in the BOQ means "Schedule of rates for Electrical Works, Govt. Of West Bengal, Public Works Department (Volume-I)"
69. The successful bidder will be liable to abide by the clause laid in Order No. 177-CRC/2M-57/2008 dated 12.07.2012 of secretary to the Govt. Of West Bengal & Order No. 177/1(15)-CRC/2M-47/2008 dated 12.07.2012 of Technical Secretary, Public Works Department.
70. As the work will be executed in a government premises and users are also Government Department, provision of service tax in not considered.
71. Release of Security Deposit will done as per guide line contained in GO No. 874-W(C)/1M-192/2014 dated 27.11.2014.

72. MODE OF BILLINGS:

- a) Running payment for work may be made to the executing agency as per availability of fund & after necessary certification of the work along with the checking of contractor's bill by the selected consultant for the proposed work.
- b) Mode of billing for the agency will consist of four parts:
 - i) First Part: - Construction up to plinth level.
 - ii) Second Part: - Construction up to roof.
 - iii) Third Part: - Completion of the Building in all respect.
 - iv) Fourth Part: - Completion of all other allied works in all respect.

73. Details survey work:

Details survey (with necessary equipment's) for the lay out of the Site / Buildings has to be done by the concern Agency with his own cost for the entire Project. No separate payment will be made for this purpose.

74. Laboratory Setup:

For the purpose of smooth execution of the work the agency have to construct Laboratory (with require equipment's / machineries) and computer arrangements in the site until the completion the work in his own cost. No separate payment will be made for this purpose.

75. Engagement of Technical Person:

Agency must have to appoint Technical Person both Civil & Electrical (Not less than Diploma holder) for the execution of the work from his end (One engineer for two hundred building in civil work) & (One electrical engineer for entire project) until completion of the project. No separate payment will be made for this purpose.

76. Quality Control:

For purpose of quality control of the Project, agency has to follow slandered I.S. Code and guidelines as may be provided by the competent authority until completion of the project. No separate payment will be made for this purpose also.

D.	Man Power	Technical Personnel	List Of Technical Staffs along with Structures & Organization (As per NIT)
E.	Equipment	Machinery-1	List of Machinery and Laboratory equipment's.
F.	Others	Declaration, Forms etc.	All the declaration/Annexure/Terms & Conditions/Forms/D.L.P & S.D must be submitted with signatures which are mentioned in the NIT.

A. Tender evaluation by the Evaluation Committee.

- i. Opening of Technical proposal: - Technical proposals will be opened by The Superintending Engineer, North Circle, Housing Directorate and his authorized representative electronically from the web site stated using their Digital Signature Certificate.
- ii. Intending tenderers may remain present if they so desire.
- iii. Cover (folder) statutory documents (vide Cl. No. 5.A-1) should be open first & if found in Order, cover (Folder) for non-statutory documents (vide Cl. No. - 5.A-2) will be opened. If there is any deficiency in the statutory documents the tender will summarily be rejected.
- iv. Decrypted (transformed in to readable formats) documents of the non-statutory cover will be downloaded & handed over to The Superintending Engineer, North Circle, Housing Directorate.
- v. Uploading of summary list of technically qualified tenderers.
- vi. Pursuant to scrutiny & decision of the higher authority / competent authority / accepting authority the summary list of eligible tenders & the serial number of work for which their proposal will be considered will be uploaded in the web portals.
- vii. While evaluation The Superintending Engineer, North Circle, Housing Directorate may summon of the tenderers & seek clarification / information or additional documents or original hard Copy of any of the documents already submitted & if these are not produced within the stipulated time frame, their proposals will be liable for rejection.

B .Financial proposal

- i) The financial proposal should contain the following documents in one cover (folder) i.e. Bill of quantities (BOQ) the contractor is to quote the rate (Presenting Above/ below/ At par) online through computer in the space marked for quoting rate in the BOQ.
- ii) Only downloaded copies of the above documents are to be uploaded virus scanned & Digitally Signed by the contractor.

6. Penalty for suppression / distortion of facts

If any tenderer fails to produce the original hard copies of the documents (especially Completion Certificates and audited balance sheets), or any other documents on demand of The Superintending Engineer, North Circle, within a specified time frame or if any deviation is detected in the hard copies from the uploaded soft copies or if there is any suppression, the tenderer will be suspended from participating in the tenders on e-Tender platform for a 3 (Three) years. In addition, his user ID will be deactivated and Earnest Money Deposit will stand forfeited. Besides, the P.W. Directorate may take appropriate legal action against such defaulting tenderer.

The Employer reserves the right to accept or reject any Bid and to cancel the Bidding processes and reject all Bids at any time prior to the award of Contract without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the ground for Employer's action.

7. AWARD OF CONTRACT

The Bidder whose Bid has been accepted will be notified by the Tender Inviting & Accepting Authority through acceptance letter.

The notification of award will constitute the formation of the Contract.

The Agreement in W.B.F. No.- 2911 / Appropriate Documents will incorporate all agreements between the Tender Accepting Authority and the successful Bidder.

**SUPERINTENDING ENGINEER,
NORTH CIRCLE, HOUSING DIRECTORATE,
GOVT. OF WEST BENGAL**

Annexure - A

Information of audited financial statements for the last year to demonstrate the current soundness of the Bidder's financial position:

1. The Bidder's Net worth for the last year calculated as the difference between total assets and total liabilities should be positive.

2. Bidders, who meet the minimum qualification criteria, will be qualified only if their available bid capacity at the expected time of bidding is more than the total estimated cost of the works. The available bid capacity will be calculated as under:

Assessed available Bid capacity = $(A \times N \times 2 - B)$ where

A = Maximum value of engineering works in respect of Projects executed in any one year during the last five years (updated to the price level of the year indicated in table below under note) taking into account the completed as well as works in progress. The projects include turnkey project/Item rate contract / Construction works.

N = Number of years (i.e., ____ year) prescribed for completion of the works for which Bids are invited.

B = Financial Liability of the bidder to be incurred for existing commitments and on-going works during the period of the subject contract.

To calculate the value of "A"

i) A table containing value of Engineering works in respect to Projects (Turnkey projects/Item rate contract / Construction works) undertaken by the Bidder during the last 5 years is as follows:

Sl. No.	Year	Value of Engineering Works undertaken w.r.t. Projects (Rs. In Crores)
1	Year-5	
2	Year-4	
3	Year-3	
4	Year-2	
5	Year-1	

ii) Maximum value of projects that have been undertaken during the F.Y. _____ out of the last 5 years and value thereof is Rs. _____ Crores (Rupees _____). Further, value updated to the price level of the year indicated in Table is as follows:

Rs. _____ Crores x _____ (Updation Factor as per Table annexed)
= Rs. _____ Crores (Rupees _____).

Table indicating the factor for the year for updation to the price level is indicated as under

Sl. No.	F.Y./Calendar year	Updation factor
1.	Year-1	1.00
2.	Year-2	1.05
3.	Year-3	1.10
4.	Year-4	1.15
5.	Year-5	1.20

iii) Net worth for the last year of _____ (name of the company)

<p>..... Signature name and designation of Authorised Signatory</p> <p>For and on behalf of(Name of the Applicant)</p>
--

<p>..... Name of the Statutory Auditor's firm</p> <p>Seal of the audit firm: (signature, name and designation and Membership No. of authorised signatory).</p>
--

To calculate the value of "B"

3. A table # containing value of all the existing commitments and on-going workings to be completed during the next _____ years (prescribed time for completion of the works for which Bids are invited) is as follows:

Sl. No.	Name of work/project	Name of the Employer	Percentage of participation of Bidder in the project	Stipulated period of completion as per Agreement/LOA with the start date	Value of Contract as per Agreement /LOA Rs._____	Value of work completed Rs._____	Balance value of work to completed Rs._____	Anticipated date of completion	Financial liability to incurred for the said work/project during the period of the subject contract Rs._____
1	2	3	4	5	6	7	8	9	10

.....

 Signature name and designation of Authorised Signatory

For and on behalf of
(Name of the Applicant)

Note:

1. All the documents to be submitted in support of Annexure – A must be duly signed and sealed by the applicant / bidder and authenticated by Statutory Auditor’s firm
2. In case of a Joint Venture, Lead Member of such joint venture shall be required to meet 60% of required Bid Capacity and each of the Joint Venture Members shall be required to meet at least 30% of requirement of Bid Capacity. Bid capacity of all the members in total should be at least 100% of required Bid Capacity.
3. UDIN must be submitted.

LIST OF MACHINERIES REQUIREMENT

Sl. No.	Machineries Requirement
01	Tilting Drum Mixer 230-280 Litre Capacity
02	Internal or Immersion Vibrators
03	Steel Reinforcement Cutting & Blending Machine
04	Steel Shuttering Material
05	Portable Cutter

LIST OF EQUIPMENT FOR TESTING LABORATORY

A) For Building Works

1. Sieves: as per IS460-1962.
 - I. I.S. serves – 450mm internal dia. of sizes 100mm, 80mm, 63mm, 50mm, 40mm, 25mm, 20mm, 12.5mm, 10mm, 6.3mm, 4.75mm complete with lid and pan.
 - II. I.S. serves – 200mm internal dia. (brass frame) consisting of 2.36mm, 1.18mm, 600 microns, 425 microns, 300 microns, 212 microns, 150 microns, 75 microns with lid and pan.
2. Sieve shaker capable of 200mm to 300mm dia sieves, manually operated with timing switch assembly.
3. Equipment for slump test – slump cone, steel plate, tamping rod, steel scale, scoop.
4. Dial gauges, 25mm travel – 0.01mm / division least count – 2 Nos.
5. Cube module 12 Nos.
6. Other as per requirement.
7. Desktop Computer with Printer Machine & Internet Connection.
8. Field survey equipment as per requirement.

FIELD TESTING INSTRUMENTS

- 1) Steel tapes – 3m.
- 2) A good quality plumb bob.
- 3) Spirit level, Minimum 30cms long with 3 bubbles for horizontal vertical.
- 4) Wire gauge (Circular type) disc.
- 5) Screw Driver 30cms long.
- 6) Plastic bag for taking sample.
- 7) Other as per requirement.

DECLARATION
(Machineries & Equipment's)

- (1) I, the undersigned, declare that all the statements made in the attached documents in respect of mode of ownership of machineries are true and correct.
- (2) Certified that required specified machineries for the works under this e-NIT will be installed at the working site within 07 days (maximum) from the date of Letter of Acceptance / Work Order.
- (3) The undersigned also hereby certifies that neither our firm _____ nor any constituent firm had been debarred to participate in tender by Housing Department during the last 5 (five) years prior to the date of this e-NIT.
- (4) The undersigned understands and agree that the further qualifying information may be requested and agree to furnish any such information at the request of the Department.
- (5) Certified that I have applied in the e-Tender in the capacity of individual / as a partner of a firm and I have not applied severally for the same job.
- (6) Certified that I have applied in the Tender in the capacity of individual / as a partner of a firm and I have applied to the work under this e-NIT restricted to maximum one no. works, if more than one work in the same e-NIT.
- (7) Certified that I have access to or have available liquid assets (aggregate of working capital, Cash in Hand, Uncommitted Bank Guarantees) and or credit facilities not less than 10% of the estimated cost put to tender. In this respect, I have attached necessary documents with this application.
- (8) I, the undersigned do certify that all the documents made in the attached documents are true and correct. If any declaration submitted is found / ascertain to be incorrect / fabricated / misrepresented / fraudulent etc. accordingly tender will be liable to be cancelled / terminated immediately & I / my firm / company shall also be liable to prosecuted under Section 197, 199 & 200 of Indian Penal Code. 1860 along with Section-71 & Section-73 of Indian Information & Technology Act 2008 & any other applicable law for the time being in force in addition to forfeiture of Earnest Money / Security Deposit.

3. a) Has the Applicant or any of its constituent : YES / NO
Abandoned / Suspended any contract during the,
Last 05 (five) years.

b) If yes, give details with reasons :

Note: If any information in this Schedule is found to be incorrect or concealed, pre-qualification application will be summarily rejected.

Signature of applicant including title
And capacity in which application is made

Special Terms and conditions

GENERAL :

Unless otherwise stipulated all the works are to be done as per general conditions and general specifications in the "Departmental Schedule" which means the Public Works Department, Schedule of Rates for works in West Bengal for the working area including up to date addenda and corrigenda, if any, published by the Superintending Engineer, P.W.D., Planning & Monitoring Circle.

ENGINEER-IN-CHARGE AND COMMENCEMENT OF WORK :

The word "Engineer-In-Charge" means the Superintending Engineer, North Circle, Housing Directorate, Siliguri. The word "Department" appearing anywhere in the tender documents means Housing Department, Government of West Bengal, who have jurisdiction, administrative or executive over part of whole of the works forming the subject matter of the tender or contract. The word "approved" appearing anywhere in the documents means approved by the Engineer-In-Charge. In case, the work is transferred to any other Circle, the Superintending Engineer under whom the work will be executed should be treated as the Engineer- In-Charge. The work shall have to be taken up within seven days of the receipt of the work order. Failure to do so will constitute a violation of the contract stipulation as regards proportionate progress and timely completion of work and the contractor will thereby make himself liable to pay compensation or other penal action as per stipulation of the printed tender form.

CONDITION IN EXTENDED PERIOD:

As clause 5 of W.B.F. No. 2911 / Appropriate Documents as the case may be when an extension of time for completion of work is authorised by the Engineer-In-Charge, it will be taken for granted that the validity of the contract is extended automatically up to the extended period with all terms and conditions rates, etc. remaining unaltered, i.e. the tender is revalidated up to the extended period.

CO-OPERATION AND DAMAGES AND COMPLETION OF WORK:

All works are to be carried out in close co-operation with the Department and other contract or contracts that may be working in the area of work. The work should also be carried out with due regard to the convenience of the road users and occupants, if any. All arrangements and programme of work must be adjusted accordingly. All precautions must be taken to guard against chances of injury or accidents to workers, road users, occupants etc. The contractor must see that all damages to any property which, in the opinion of the Engineer-In-Charge are due to the negligence of the contractor, are promptly rectified by the contractor at his own cost and expenses and according to the direction and satisfaction of the Engineer-In-Charge.

CONTRACTOR'S SITE OFFICE :

The contractor shall have an office adjacent to the work as may be approved by the Engineer-In-Charge where all directions and notice of any kind whatsoever which the Engineer-In-Charge or his representative may desire to give to the contractor in connection with the contract may be left and same when left at or sent by post to such office or delivered to the Contractor's authorised agent or representative shall be deemed to the sufficiently served upon the contractor.

AUTHORISED REPRESENTATIVE OF CONTRACTOR:

The contractor shall not assign the agreement or sublet any portion of the work. The contractor, may however, appoint and authorised representative in respect of one or more of the following purpose only.

- a) General day to day management of work
- b) To give requisition for Departmental materials, Tools & Plants etc. to receive the same and sign hand receipts thereof.
- c) To attend measurements when taken by the Departmental Officers and sign the records of such measurements which will be taken of acceptance by the Contractor. The selection of the authorised representatives subject to the prior approval of the Executive Engineer concerned and the contractor shall in writing seek such approval of the Executive Engineer giving therein the name of work, Tender No., the Name, Address and the specimen signature of the representative he wants to appoint and the specific purposes as specified in Clause 33 which the representative will be authorised for even after first approval, the Executive Engineer may issue at any subsequent date, revised directions about such authorised representative and the contractor shall be bound to abide by such directions. The Executive Engineer shall not be bound to assign any reason for any of his directions with regard to the appointment of authorised representative. Any notice correspondence etc. issued to the authorised representative or left at his address, will be deemed to have been issued to the contractor himself.

POWER OF ATTORNEY:

The provision of the power of attorney, if any, must be subject to the approval of the P.W. Department. Otherwise the Department shall not be bound to take cognizance of such of attorney.

EXTENSION OF TIME :

For cogent reason over which the contractor will have no control and which will retard the progress, extension of time for the period lost will be granted on receipt of application from the contractor before the expiry date of contract. No claim whatsoever for idle labour, additional establishment, cost of materials and labour and hire charges of tools & Plants etc. would be entertained under any circumstances. The contractor should consider the above factor while quoting his rate. Applications for such extension of time should be submitted by the contractor in the manner indicated in Clause 5 of the printed form of W.B.F. No. 2911 / Appropriate Documents

CONTRACTOR'S GODOWN :

The contractor must provide suitable godowns for cement and other materials at the site of work. The cement godown is to be sufficient in capacity and it must be water tight with either an elevated floor with proper ventilation arrangement underneath the floor or if a solid raised flooring is made, cement is to be stored on bamboo or timber to the satisfaction of the Engineer-In-Charge. No separate payment will be made for these godowns or for the store yard. Any cement which is found at the time of use to have been damaged shall be rejected and must immediately be removed from the site by the Contractor or deposited as directed by Engineer-In-Charge.

ARRANGEMENT OF LAND :

The contractor will arrange land for installation of his Plants and Machineries, his godown, store yard, labour camp etc. at his own cost for the execution of the work. Departmental land, if available may be spared for the purpose on usual charges as fixed by the Engineer-In-Charge.

USE OF GOVERNMENT LAND :

The contractor shall make his own arrangements for storage of tools, plant, equipments, materials etc. of adequate capacity and shall clear and remove on completion of work and shed, huts etc. which he might have erected in Government Land. Before using any space in Government Land of any purpose whatsoever, approval of the Engineer-In-Charge.

ROYALTY :

The Contractor will have to submit the receipt of payment of royalty to the Government for use of sand, stone materials, laterite, Moorum, gravel etc. to the Engineer-In-charge before preparation of bill for payment, when they collect the materials directly from the source. If they collect the materials from the authorised quarry holder or commercial establishment who directly or indirectly pay the royalty to the Government, necessary certificate or cash memo for sale in that respect from them shall have to be produced to the Engineer-In-Charge failing which necessary deduction from the dues of the contractor may be made as fixed by the Engineer-In-Charge.

SITE WORK ORDER BOOK :

The contractor shall within seven days of receipt of the order to take up work, supply at his own cost one Work Order book to Assistant Engineer, Concerned who is authorised to receive and keep in custody the work Order Book on behalf of the Engineer-In-Charge. The work Order Book shall be kept at the site of work under the custody of Assistant Engineer or his authorised representative. The Work Order Book shall have machine numbered pages in duplicate directions or instruction from Departmental officers to be issued to the Contractor will be entered (in duplicate) in the Work Order Book (except when such directions or instructions are given by separate letters). The contractor or his authorised representative shall regularly note the entries made in the Work Order Book and also record thereon the action taken or being taken by him complying with the said directions or instruction on any relevant point relating to the work. The contractor or his authorised representative may take away the duplicate page of the Work Order Book for his own record and guidance.

In case of supplementary items or of claims may not be entertained unless supported by entries in the Work Order Book by Engineer-in-Charge or any written order from the Tender Accepting Authority.

The first page of the Work Order Book shall contain the following particulars:

- a) Name of the work
- b) Reference to contract number
- c) Contractual rate in percentage
- d) Date of opening of the Work Order Book
- e) Name and address of the Contractor
- f) Signature of the Contractor
- g) Name & address of the Authorized representative (if any of the contractor authorized by him)
- h) Specific purpose for which the contractor's representatives is authorized to act on behalf of the Contractor.
- i) Signature of the authorized representative duly attested by the Contractor.
- j) Signature of the Assistant Engineer concerned.
- k) Date of actual completion of work.
- l) Date of recording final measurement.

Entries in (k) & (l) above shall be filled in on completion of the work and before the Work Order Book is recorded in the office of the Assistant Engineer.

CLEARING MATERIALS :

Before starting any work, work site, where necessary, must be properly dressed after cutting clearing all varieties of jungles shrubs, bamboo clusters or any undesirable vegetation from the alignment or site of works on completion of works all temporary structure or obstruction including some pipes in underground work, if any, must also be removed. All scars of construction shall be obliterated and the whole site shall be left in a clear and neat manner to the satisfaction of the Engineer-In-Charge. No separate payment shall be made for all these works, the cost thereof being deemed to have been included in the rates of various items of works quoted by the contractor in the schedule of probable items of works.

SUPPLEMENTARY / ADDITIONAL ITEM OF WORKS:

Notwithstanding the provisions made in the related printed tender Form (if any) any item of the work which can be legitimately be considered as not stipulated in the specific schedule of probable items of work but has become necessary as a reasonable contingent item during actual execution of work will have to be done by the Contractor if so, directed by the Engineer-In-Charge and the rates will be fixed with manner as stated below:-

(a) Rate of supplementary items shall be analysed to the maximum extent possible from rates of allied items of work appearing in the P.W. Department schedule of rates for P.W.D (W.B) of probable items of work forming part of tender document.

(b) Black-market rates shall never be allowed.

(c) Contractual percentage shall only be applicable with regard to the portions of the analysis based on clause (a) stated above only.

It may be noted that the cases of supplementary items of claim shall not be entertained unless supported by entries in the Work Order Book or any written order from the tender.

APPROVAL OF SAMPLE:

Samples of all materials to be supplied by the contractor and to be used in the work shall have to be approved by the Engineer-in-charge and checking the quality of such materials shall have to be done by the concerned Department prior to utilization in work.

WATER AND ENERGY:

The contractor shall have to arrange for their own source of energy for operation of equipment and machineries, driving of pumping set, illuminating work site, office etc. that may be necessary in difference stages of execution of work. No facility of any sort will be provided for utilization of the departmental sources of energy existing at site of work. Arrangement for obtaining water for the work should also be made by the contractor at his own cost. All cost for getting energy and/ or for any purpose whatsoever will have to be borne by the contractor for which no claim will be entertained.

All materials and Tools and Plants and all labour (skilled and unskilled) including their housing, water supply, sanitation, light, procurement of food staff, medical aid etc. are to be arranged for by the contractor. The cost of transport of labour, materials and all items as aforesaid shall also have to be borne by the Contractor.

SERVICEABLE MATERIALS:

The responsibility for stacking the serviceable materials obtained during dismantling of existing structure/road (to be decided by the Engineer-in-charge) and handling over the same to the Engineer-in-charge of work of this Department lies with the contractor and nothing will be paid on this account. In case of any loss or damage of serviceable materials prior to handling over the same to this Department, full value will be recover from the Contractor's bill at rates as will be assessed by the Engineer-in-charge.

UNSERVICEABLE MATERIALS:

The Contractor shall remove all unserviceable materials, obtained during execution at place as directed. The contractor shall dressed up and clear the work site after completion of work as per direction of the Engineer-in-charge. No extra payment will be made on this account.

CONTRACTOR'S RISK FOR LOSS OR DAMAGE:

All risk on account of Railway or Road carriage or carriage by boat including loss or damage of vehicles boats, barges materials or labour will have to be borne by the contractor.

IDLE LABOUR:

Whatever the reasons may be no claim or idle labour, enhancement of labour rate additional establishment cost, cost of TOLL and hire and labour charges of tools and plants Railway freight etc. would be entertained under any circumstances.

CHARGES AND FEES PAYABLE BY CONTRACTOR:

- a) The contractor shall be all notices and pay all fees required to be given or paid by any statute or any regulation or by any law and any local or other statutory authority which may be applicable to the works and shall keep the department against all penalties and liability of every kinds for breach of such statute regulation or law.
- b) The Contractor shall have save harmless and indemnify the department from and against all claims demands suit and proceedings for or an account of infringement of any patent rights design, trade mark of name of other protected write in respect of any constructional Plant machine, work, materials, thing or process used for or in connection with works or temporary works or any of them.

TOOLS AND PLANTS:

All Tools and Plants required for the work will have to be supplied by the Contractor at his own cost, all cost of fuel and stores for proper running of the Tools and Plants must be borne by the Contractor.

COMPLIANCE OF DIFFERENT ACTS:

Successful tenderers will be required to observe the following conditions strictly (If applicable):

Employees Provident Fund and Miscellaneous Provision Act, 1952 and Employees State Insurance Act, 1948 should be strictly adhered to wherever such Acts become applicable.

Minimum wages to the workers shall be paid according to the rates notified and/or revised by the State Government from time to time under the Minimum Wages Act, 1948 in respect of scheduled employments, within the specified time as per law. Payment of bonus, wherever applicable, has to be made.

Adequate safety and welfare measures must be provided as per the provisions of the Building and other Construction Workers (Regulation of Employment & Conditions of Service) Act, 1996 read with West Bengal Building and other Construction Workers (Regulation of Employment and Condition of service) Rules, 2004.

All liabilities arising out of engagement of workers are duly met before submission of bills for payment.

COMMENCEMENT OF WORK:

The work must be taken up within the date as stipulated in the work order and completed in all respects within the period specified in Notice Inviting Tender.

PROGRAMME OF WORK:

Before actual commencement of work the contractor shall submit a programme of construction of work clearly showing the materials men and equipment. The contractor will submit a programme of construction in the pattern of Bar chart or Critical Path Method and a time table divided into four equal periods of progress of work to complete the work within the specific period for approval of the Engineer-In-Charge who reserves the right to make addition, alterations and substitutions to such programme in consultation with the contractor and such approved programme shall be adhered to by the contractor unless the same is subsequently found impracticable in part or full in the opinion of the Engineer-In-Charge and is modified by him. The contractor must pray in writing, showing sufficient reasons therein, for modification of programme. The conditions laid down in clause 2 of the printed tender from regarding the division of total period and progress to work and the time table therefore as provided in the said clause shall be deemed to have been sufficiently complied with it the actual progress of work does not fall short of the progress laid down in the approved time table for one fourth, half and three fourth of time allowed for the work.

SETTING OUT OF THE WORK:

The Contractor shall be responsible for the true and perfect setting out of the work and for the correctness of the position, levels, dimensions and alignments of all parts of work, if any, rectification or adjustment becomes necessary the contractor shall have to do the same at his own cost according to the direction of the Engineer-In-Charge during progress of works, if any, error appears or arise in respect of position, level, dimensions or alignment of any part of the work contractor shall at his own cost rectify such defects to the satisfaction of the Engineer-In-Charge. Any setting out that may be done or checked by either of them shall not in any way relieve the contractor or their responsibility for correctness thereof.

PRECAUTIONS DURING WORKS:

The contractor shall carefully execute the work without disturbing or damaging underground or overhead service utilities viz. Electricity, Telephones, Gas, Water pipes, Sewers etc. in case disturbances of service utilities is found unavoidable the matter should immediately be brought to the notice of the Engineer-In-Charge and necessary precautionary measures as would be directed by the Engineer-In-Charge shall be carried out at the cost and expenses of the contractor during execution of the work, the cost of rectification or restoration of damages as would be fixed by the Executive Engineer of the Division concerned will be recovered from the contractor.

TESTING OF QUALITIES OF MATERIALS & WORKMANSHIP:

All materials and workmanship shall be in accordance with the specifications laid down in the contract and also as per M.O.R.T. & H's specification for Road and Bridge Works and IS codes and the Engineer-In-Charge reserves the right to test, examine and measure the materials/workmanship direct at the place of manufacture, fabrication or at the site of works or any suitable place. The contractor shall provide such assistance, instrument machine, labour and materials as the Engineer-In-Charge may require for examining, measuring and testing the works and quality, weight or quantity of materials used and shall supply samples for testing the works and quality, weight or quantity of materials used and shall supply samples for testing as may be selected and required by the Engineer-In-Charge without any extra cost. Besides this, he will carry out tests from outside Laboratory as per instruction of Engineer-In-Charge. The cost of all such tests would be borne by the agency.

TIMELY COMPLETION OF WORK:

All the supply and the work must have to be completed in all respects within the time specified in Notice Inviting Tender from the date of work order. Time for completion as specified in the tender shall be deemed to be the essence of the contract.

PROCUREMENT OF MATERIALS:

All materials required for complete execution of the work shall be supplied by the contractor after procurement from authorized and approved source.

REJECTED MATERIALS:

All materials brought to the site must be approved by the Engineer-In-Charge. Rejected materials must be removed by the Contractor from the site within 24 hours of the issue of order to that effect. In case of non-compliance of such order. The Engineer-In-Charge shall have the authority to cause such removal at the cost and expenses of the contractor and the contractor shall not be entitled to claim for any loss or damage of that account.

IMPLIED ELEMENTS OF WORK IN ITEMS:

Except of such items as are included in the Specific Priced Schedule of probable items and approximate quantities no separate charges shall be paid for traffic control measures, shoring, shuttering, dewatering, curing etc. and the rates of respective items or work are to be deemed as inclusive of the same.

ADDITIONAL CONDITIONS:

A few additional conditions under special terms and conditions.

- a) Rate quoted shall be inclusive of clearing site including removal of surplus earth, rubbish, materials etc. as per direction of the Engineer-In-Charge.
- b) Rate quoted shall be inclusive of West Bengal Sales Tax, Income Tax and all other duties, if any.
- c) Display board to size 150 cm x 90 cm is to be provided at site of work with Sal Bullah Post to a height of 1.5 meter at the cost of the contractor including insertion as directed by the Engineer-In-Charge.
- d) The Contractor is to display caution board at his own cost.
- e) Deep excavation of trenches and left out for days should be avoided.
- f) The Contractor or Supplier should not import into West Bengal on competitive price basis.
- g) The whole work will have to be executed as per Departmental drawings available in this connection at the tender rate.
- h) As per Finance (Taxation) Department of Income Tax will be made from each bill of the contractor as per applicable rate in force.
- i) Labour Welfare Cess will be deducted @ 1 (one) percent of Gross bill value as per rule.
- j) The numbers of building units as provided in the NIT may be reduced up to 10 % due to different reasons, in these case the agency will not be entitled to claim any payment for those reduction (if any).**

- 3.13 Suspension:** Temporary disqualification of a bidder from participating in the procurement process of Housing Department for a period of 6(six) months when an offence is made out against a bidder.
- 3.14 Suspension Committee (Committee competent for issuing Suspension Order):** "Suspension Committee" will be comprising of i) The Chief Engineer, Housing Directorate as Chairman, ii) The Assistant Chief Engineer, Housing Directorate as member and Convenor, iii) Concerned Superintending Engineer as member, iv) The Executive Engineer (Planning), Housing Directorate as member.

4. GROUNDS FOR SUSPENSION AND DEBARMENT

- 4.1.** Submission of eligibility requirements containing false information or falsified documents.
- 4.2.** Submission of Bids that contain false information or falsified documents, or the concealment of such information in the Bids in order to influence the outcome of eligibility screening or any other stage of the bidding process.
- 4.3.** Unauthorized use of one's name/digital signature certificate for purpose of bidding process.

- 4.4. Any documented unsolicited attempt by a bidder to unduly influence the outcome of the bidding in his favour.
- 4.5. Refusal or failure to post a self-declaration to the effect of any previous debarment imposed by any other department of State Government and/ or Central Government.
- 4.6. All other acts that tend to defeat the purpose of the competitive bidding such as lodging false complain about any bidder, lodging false complain about any officer duly authorized by the department, restraining any interested bidder to participate in the bidding process, etc.
- 4.7. Assignment and subcontracting of the contract or any part thereof without prior written approval of the procuring entity.
- 4.8. Whenever adverse reports related to adverse performance, misbehaviour, direct or indirect involvement in threatening, making false complaints etc. damaging the reputation of the department or any other type complaint considered fit by the competent authority of the department, are received from more than one officer or at more than one occasion from individual officer.
- 4.9. Refusal or failure to post the required performance security/ earnest money within the prescribed time without justifiable cause.
- 4.10. Failure in deployment of technical personnel, engineers and/ or work supervisor having requisite license/ supervisor certificate of competency as specified in the Contract.
- 4.11. Refusal to accept an award after issuance of "letter of acceptance" or enter into contract with the government without justifiable cause.
- 4.12. Failure of the contractor, due solely to his fault or negligence, to mobilize and start work or performance within the specified period as mentioned in the "Letter of Acceptance", "Letter of Acceptance cum Work Order", "Work Order", "Notice to Proceed", "Award of Contract", etc.
- 4.13. Failure by the contractor to fully and faithfully comply with its contractual obligations without valid cause, or failure by the contractor to comply with any written lawful instruction of the procuring entity or its representative(s) pursuant to the implementation of the contract.
- 4.14. For the procurement of consultancy service/ contracts, poor performance by the consultant of his services arising from his fault or negligence. Any of the following acts by the consultant shall be construed as poor performance.
 - i. Non deployment of competent technical personnel, competent engineers and/or work supervisors;
 - ii. Non deployment of committed equipment, facilities, support staff and manpower; and
 - iii. Defective design resulting in substantial corrective works in design and/or construction;
 - iv. Failure to deliver critical outputs due to consultant's fault or negligence; and
 - v. Specifying materials which are inappropriate and substandard or way above acceptable standards leading to high procurement cost.
 - vi. Allowing defective workmanship or works by the contractor being supervised by the consultant.
- 4.15. For the procurement of goods, unsatisfactory progress in the delivery of the goods by the manufacturer, supplier or distributor arising from his fault or negligence and/or unsatisfactory or inferior quality of goods vis a vis as laid down in the contract.
- 4.16. Wilful or deliberate abandonment or non-performance of the project or contract by the contractor resulting to substantial breach thereof without lawful and/or just cause.

5. CATEGORY OF OFFENSE

5.1. First degree of offense:

Sl. No. 4.1 to 4.16 to be considered as first degree of offense.

5.2. Second degree of offence:

Any one of the offences as mentioned under 5.1 above, committed by a particular bidder/contractor/supplier by more than one occasions, be considered as second degree of offense. In addition to the penalty of suspension/ debarment, the bid security/ earnest money posted by the concerned bidder or prospective bidder shall also be forfeited.

(The same must be invariably part of the process of evaluation of bids.)

6. PENALTY FOR OFFENSE

6.1. For committing 1st Degree of offense

Disqualifying a bidder from participating in any procurement process under the Housing Department, Government of West Bengal up to 2(two) years.

6.2. For committing 2nd Degree of offense

Disqualifying a bidder from participating in any procurement process under the Housing Department, Government of West Bengal for a period of 3(three) years.

7. PROCEDURE OF SUSPENSION AND DEBARMENT DURING THE PROCUREMENT PROCESS

7.1 Initiation of Action, Notifications and Hearings

Any bidder or procurement authority on his own or based on any other information made available to him may initiate the process of suspension/ debarment proceedings by filing a written complaint with the Bid Evaluation Committee and such filing of written application has to be done within forty eight hours from the date and time of publication of the result of technical evaluation of any bid.

- a) Upon verification of the existence of grounds for suspension/ debarment, the chairperson of Bid Evaluation Committee shall immediately notify the bidder concerned either electronically through his registered e-mail id or in writing to his postal address, advising him that:
- i) A complaint has been filed against him and *prima facie* material has been found, which may lead to suspension/ debarment.
 - ii) He has been recommended to be placed under suspension/ debarment by the Suspension Committee, stating the grounds for such.
 - iii) The said bidder within three days from the date of issue of such notification by the Bid Evaluation Committee may approach the chairperson of Suspension Committee by submitting all required documents in his favour for a hearing. Any application made thereafter would not be entertained. Such notice should contain the e-mail id and the postal address of the Chairperson of the Suspension Committee.
- b) After receiving the recommendation for suspension from Bid Evaluation Committee, the Suspension Committee shall issue a notice to the alleged bidder, electronically through his registered e-mail id, to submit all relevant documents in support of his defense within three working days after issuance of the notice of the Suspension Committee. The Suspension Committee will conduct the hearing within seven working days from the date of receipt of the documents from the alleged bidder. If no appeal has been received from the alleged bidder or after hearing if found sufficient ground for suspension the Suspension Committee, will suspend the alleged bidder from participating in the procurement process under the Housing Department for a period of 6 (six) months from the date of issuance of Suspension order. The Chairperson of the Suspension Committee shall issue the Suspension Order within 7(seven) days from the last date of hearing and shall notify the bidder concerned either electronically through his registered e-mail id or in writing to his postal address. The chairperson of Suspension Committee shall also inform the decision to all concerned.

If sufficient reasons for suspension are not found, the Suspension Committee would reject the recommendation of Bid Evaluation Committee and would allow the bidder to take part in the tendering process.

If the bidder is suspended, the Suspension Committee would recommend debarment of the bidder and forward the case with all documents to the Debarment Committee for further action.

- c) The Debarment Committee upon receipt of the recommendation of the Suspension Committee shall scrutinize the documents. The Debarment Committee will hold a hearing of the alleged bidder and issue necessary order within 10(ten) working days from the last date of hearing. The Debarment Committee if satisfied after hearing shall forward the case to the Department for order of debarment. The Department in due course will issue Debarment Order disqualifying/ prohibiting the erring bidder from participating in the bidding/ procurement of all projects under Housing Department, Government of West Bengal for a specified period. The alleged bidder shall be intimated accordingly either electronically through his registered e-mail id or in writing to his postal address. Otherwise the Debarment Committee may reject the recommendation of the Suspension Committee. The chairperson of Debarment Committee shall also inform the decision to all concerned.

8. PROCEDURE FOR DEBARMENT DURING THE CONTRACT IMPLEMENTATION STAGE

- a) Upon termination of contract due to default of the bidder, the Engineer-in-charge shall recommend for debarment to the Bid Evaluation Committee. The Bid Evaluation Committee shall submit his recommendation of debarment of the alleged bidder along with a detail report stating clearly the reasons for debarment to the Debarment Committee within thirty days from the date of termination of contract. The alleged bidder shall be intimated accordingly either electronically through his registered e-mail id or in

writing to his postal address. The chairperson of Bid Evaluation Committee shall also inform the decision to all concerned.

- b) The Debarment Committee upon receipt of the recommendation of the Bid Evaluation Committee shall scrutinize the documents. The Debarment Committee will hold a hearing about the matter from the bidder and issue necessary order within 10(ten) working days from the last date of hearing. The Debarment Committee if satisfied after hearing shall forward the case to the department for order of debarment. The department in due course will issue Debarment Order disqualifying/ prohibiting the erring bidder from participating in the bidding/ procurement of all projects under Housing Department Government of West Bengal for a specified period. The alleged bidder shall be intimated accordingly either electronically through his registered e-mail id or in writing to his postal address. Otherwise the Debarment Committee may reject the recommendation of the Bid Evaluation Committee. The chairperson of Debarment Committee shall also inform the decision to all concerned.

9. STATUS OF SUSPENDED/ DEBARRED BIDDER

- a) Bidder placed under suspension/ debarment by the competent authority will not be allowed to participate in any procurement process, within the period of suspension/debarment, in any procurement process under Housing Department. The earnest money of the suspended bidder shall stand forfeited to the Government.
- b) If the Suspension/Debarment Order is issued prior to the date of issue of "Letter of Acceptance", "Letter of Acceptance cum Work Order", "Work Order", "Notice to Proceed", "Award of Contract", etc. for any bid, the suspended/ debarred bidder shall not be qualified for award for the said bid and such procurement process will be dealt with as per existing norms by simply excluding the erring bidder.

If the Suspension/ Debarment Order is issued after award of a government project/contract to the debarred bidder, the awarded project/contract shall not be prejudiced by the said order provided that the said offense(s) committed by the debarred bidder is not connected with the awarded project/contract.

Defects liability period and refund of Security Deposit:

There will be a "Defect Liability Period" of **05 [Five] year** for the original works from the date of completion and the security deposit will be released phase wise as detailed below. Prospective bidders will have to execute the work in such manner so that appropriate service level for the stipulated stretch(s)/length of the road under improvement is to be maintained during stipulated contractual period till completion and a period of **05 [Five] year** from the date of successful completion of the work to the entire satisfaction of Engineer-in-Charge. If any defect/damage is found during the period as mentioned above, the contractor will make the same good at his own expense up to the specification at par with the instant project work, or on default, the Engineer-in-Charge may cause the same to be made good by other agency and deduct the expense (of which the certificate the Engineer-in-Charge shall be final) from any sums that may be then, or at any time thereafter become due to the contract or from his security deposit, or the proceeds of the sale thereof, or of sufficient portion thereof. Refund of Security Deposit will only be made on the pro-rata basis.

However, for repair and maintenance nature of bituminous road work or combination thereof the Defect Liability period would be considered as **1 (one) year**. And in case of Original Works where bituminous thickness is less than 40 mm, the Defect Liability period is **1 (one) year** from the date of completion as per memo no. 2014-E-in-C/2015 dated 06-11-2015 of the Engineer-in-Chief & Ex-Officio Secretary, Public Works Department, Govt. of West Bengal.

"Clause 17" -Vide Notification No. 5784-PW/L&A/2M-175/2017 Dated-12.09.2017 of the Principal Secretary PWD, Govt. Of West Bengal, instead of earlier notification No. 177 CRC/2M-57/2008 Dated 12.07.2012.

If the contractor or his workmen or servants or authorized representatives shall break, deface, injure, or destroy any part of building, in which they may be working, or any building, road, road-curbs, fence, enclosure, water pipes, cables, drains, electric or telephone posts or wires, trees, grass or grassland or cultivated ground contiguous to the premises, on which the work or any part of it is being executed, or if any damage shall happen to the work from any cause whatsoever or any imperfection become apparent init at any time whether during its execution or within a period of three months or one year or three years or five years, as the cause may be (depending upon the nature of the work as described in the explanation appended hereto) hereinafter referred to as the Defect Liability Period, from the actual date of completion of work as per completion certificate issued by the Engineer-in-charge may cause the same to be made good by other workmen and deduct the expense (of which the certificate of the Engineer-in-Charge shall be final and binding on all concerned) from any sums, weather this contract or otherwise, that may be then, or at any time thereafter become due to the contractor from the Government or from his security deposit, either full, or of a sufficient portion thereof and if the cost, in the opinion of the Engineer-in-Charge (which opinion shall be final and conclusive against the contractor), of making such damage or imperfection good shall exceed the amount of such security deposit and / or such sums, it shall be law full for the Government to recover excess cost from the contractor in accordance with the procedure prescribed by any law for the contractor in accordance with the procedure prescribed by any law for the time being in force.

Provided further that the Engineer-in-Charge shall pass the "Final Bill" and certify thereon, within a period of thirty days with effect from the date of submission of the final bill in acceptable form by the contractor, the amount payable to the contractor under this contract and shall also issue a separate completion certificate mentioning the actual date of completion of the work to the contractor within the said period of thirty days. The certificate of the Engineer-in-Charge whether in respect of the amount payable to the contractor against the contractor. However, the security deposit of the work held with the Government under the provision of clause 1 hereof shall be refundable to the contractor in the manner provided here under:-

a) For work with three months Defect Liability Period:

(i) Full security deposit shall be refunded to the contractor on expiry of three months from the actual date of completion of the work.

b) For work with one year Defect Liability Period:

(i) Full security deposit shall be refunded to the contractor on expiry of one year from the actual date of completion of work.

c) For work with three years Defect Liability Period:

(i) 30% of the security deposit shall be refunded to the contractor on expiry of two years from the actual date of completion of the work;

(ii) The balance 70% of the security deposit shall be refunded to the contractor on expiry of three years from the actual date of completion of the work;

d) For work with five years Defect Liability Period:

(i) No security deposit shall be refunded to the contractor for 1st 3 years from the actual date of completion of the work;

(ii) 30% of the security deposit shall be refunded to the contractor on expiry of four years from the actual date of completion if the work;

(iii) The balance 70% of the security deposit shall be refunded to the contractor on expiry of five years from the actual date of completion if the work;
